A REPUBLICAN IDEA OR TWO, Merential regioning missipulating and , cause into cause touring , build

> It easy to know what people are talking about, because you can hear them; but when you see a man holding his neck up against a wilted, flimsy collar and trying to keep his sleeyes, up, and carry an umbrella and fan himself all at the same time he is thinking something you will never know. He couldn't tell it himself. He can only think it and groan in spirit because he knows that his will change the condition of aff irs. But now and then a gentle briez sootaes the surging spirit into quietude and

A CHRONICLE Reporter found a man yesterday who had been through the whole programme, and was in the most glorious stage of quiet and meditation. prove a huge convenience; for there is promise of one of the volumes of busipromise of one of the volumes of busiabout what the Republicans are thinking and doing.

Weather Report. By way of opening up a little colloquy, the Reporter ventured to stop squarely

The question startled him a little, but there was no delay in a reply.
"I think it's d-n hot; but that isn't all I think. 1 think Congress could do a much better thing than it is doing if Virginia and North Carolina, showers it would make some appropriations to in eastern portion; fair in western portion; northerly winds; lower temperature. ment of which there is no provision. But instead of this, those Congressmen must let business go by and fume and wrangle and fret over such a piece of "cussedness" as the Federal election law. By the way, I want to tell you that nearly every republican in Raleigh

I heard a Republican, who holds a very important official position in Raleigh, say this morning that that election Sport has more votaries following her at Morehead City than anywhere else in North Carolina. The game fishing is the finest in the world. There will be a grand regatta next that 100 voters of any precint shall sign a petition to make the law operative in such precinct before it can be in force.

Well we have about concluded that we will crucify any member of our party in this section who shall sign any such a petition. We don't want it at all, and if we can help it we wen't have it." if we can help it, we won't have it."
